BONUS:
LIFE ON MISSION

Everyday missionaries look for opportunities to tell others about Jesus.

Do you know anyone who doesn't know Jesus? The best way to tell them about Jesus might be to tell them your story. You can tell them:

- What you were like before you became a follower of Jesus
- How you began following Him
- How He has changed your life

If you're nervous about telling your story, why not practice with your parents or friends first. Then you'll be ready to go out and tell other people! Just think, if someone hadn't told you, you may have never heard about or believed in Jesus!
